# Teams & League Format 2025/26

## Team Changes

There are no team changes that we are aware of, with the eleven teams from last year all competing.

## League Format

Given the current compliment of 11 teams it is suggested that we move to one division with games played with each club on a home and away basis. This will entail 22 league weeks, with each team having two weeks with no game during the season.

## Mike Russle Cup

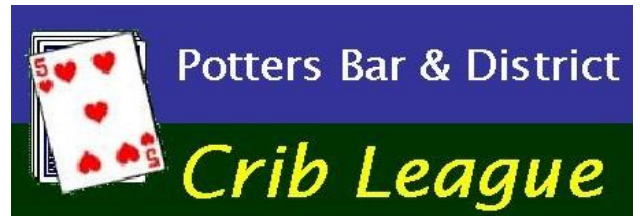

As last year we shall draw three groups of 4 teams (one group being three teams only). Each team will play the others once only. The highest two teams from each group will progress through to the Mike Russle first round proper, together with the highest two teams.

The remaining teams will compete in the Elleston trophy.
