Steamers (EBRBL) 10	BSCA 10	Exchequers (Builders LH) 8	Black Horse 7	<p>If there are teams with extra players they wish to enter, please contact Howard Smith.</p> <p>To allow as many people to play in the singles and doubles, there is often more than eight players at each venue. The draw should be made (at 8pm) using the players/pairs who have been nominated for each venue. If more than 8 players/pairs are attending, a qualifying round should be drawn which results in 8 players/pairs for the 1st round proper. For example, if 12 players are present, 4 players need to be eliminated from a “qualifying round”. Therefore 8 players should be drawn from the 12 and play off, leaving the 4 qualifiers plus the 4 not drawn. For odd numbers, the first person drawn with proceed with a “bye”. If anyone does not attend prior to the 8.15pm cut-off, they will be eliminated and their opponents will proceed with a bye. If less than 8 players/pairs are present, a number of byes will be required to be drawn</p>
